

## PRESS RELEASE

### Pi Pension Trustees welcomes Tim Sansom to the team

We are pleased to confirm the appointment of Tim Sansom to the Pi Trustee Team. With over 30 years' experience in the pension industry, Tim brings strong communication and stakeholder management skills to the Pi Trustee team. His in-depth knowledge of both defined benefit and defined contribution schemes, gained both from managing the Final Salary team at Equitable Life and from over 8 years as a Member Nominated Trustee for the Equitable Staff Money Purchase Scheme, Tim provides additional experience to the

team.

Commenting on the appointment, Roger Cooper, Head of Trusteeship at Pi Pension Trustees notes:

“Tim is an invaluable asset to the Pi Trustee team, not only does he have experience in all aspects of defined benefit management, including GMP equalisation projects and scheme wind up, his background in defined contribution at a time of change, in this part of the market, continues our focus on adding practical experience to Trustee Boards and Employers. We are delighted that Tim has chosen to join us and we look forward to working with him”.

We would be delighted to answer any questions relating to this press release.
